

## **NCRC MOBILE PHONE CRIME REPORTING/MONITORING APPLICATION**

Downloading and installing NCRC Kenya Mobile Phone Crime Reporting/Monitoring Application on different mobile phone operating systems:

- I. Android Operating System mobile users: Go to Google Play store, search NCRC Kenya, download and install in your phone (Free Service).
- II. iPhone Operating System (IOS) mobile users: Go to App Store, search NCRC Kenya, download and install the application in your phone (Free Service).
- III. Windows Operating System mobile users: Go to Windows Store, search NCRC Kenya, download and install the application in your phone (Free Service).

### **Why the mobile app?**

NCRC mobile phone crime reporting/monitoring application is a paradigm shift in fighting crime through research by use of pocket technology (mobile phone). It collects, collates, reports and uses data to make individuals and communities more inclusive, safer and free by giving them opportunity to report crime incidences in specific localities.
